

Salute Addition

What you need:

2 players or 2 teams of two
deck of cards

Game: Shuffle deck and place face down in center of table.

Player #1 turns over the top card and places it face up on the table.

Player #2 draws a card and does not look at it. Player #2 holds the card above his or her eyes so that player #1 can see it.

Player #1 combines the 2 cards mentally and says the sum out loud.

Player #2 listens and decides what his or her card must be and says that number out loud.

Both players decide if the response is correct. If it is, player #1 gets 1 point.

Players reverse roles and play continues until one player or team has 10 points.
