Program, Admission and Context Candidate Information Goals, Assurances, Tech and Train... Teacher Certification Examinations

This section provides information about the selected institution's candidate enrollment, program completers and supervised clinical experience for candidates and faculty. Information is provided by program route: Traditional, Alternative, IHE-based and Alternative, not IHE-based.

Total Enrollment and Demographics

The figures below depict the total enrollment (enrolled candidates and program completers) and the subset of total program completers, by gender identity and race/ethnicity for the academic year. Prior to 2018-19, gender identity were not collected for program completers.

Providing race and ethnicity information are optional for candidates. Preliminary Multiple Subject, Single Subject and Education Specialist teaching preparation programs were asked to report whatever data they had collected. Thus, the total number reported by race and ethnicity may not necessarily add up to the total number of candidates enrolled.

Supervised Clinical Experience

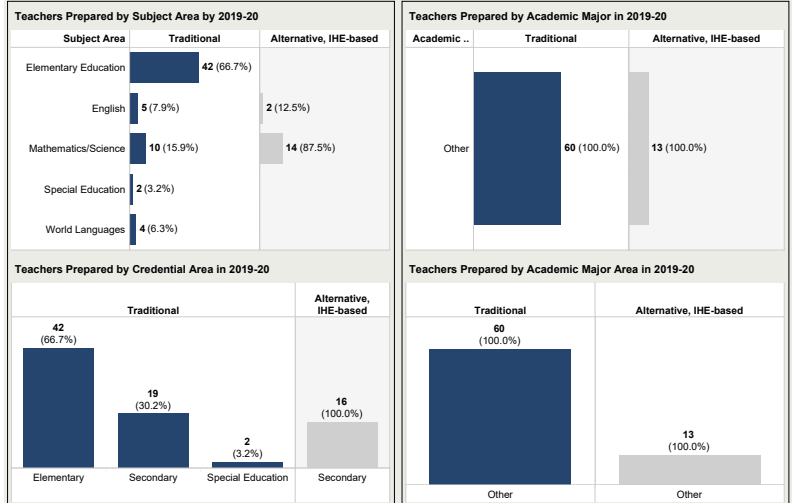

The institution's reported supervised clinical experiences in 2019-20 are provided in the table below. Clock hours required for mentoring/induction support are no longer collected starting in 2018-19. Student teaching clock hours are displayed for the traditional program route. Teacher of record clock hours are displayed for the alternative program route.

A series of supervised field experiences (including student teaching) with PK-12 students that occur as a sequenced, integral part of the preparation program prior to the candidate becoming the teacher of record. Please note that Title II, Section 202 (d)(2) describes features of clinical experience as follows. Courses in the curriculum that include the activities described in 202(d)(2) may be considered clinical coursework. The curriculum policies of each state and its institutions will identify coursework that is clinical and nonclinical.
Source: Federal Title II Reporting

Programs with student teaching models	Number of clock hours of supervised clinical experience required prior to student teaching
	Number of clock hours required for student teaching
Programs in which candidates are the teacher of record in a classroom during the program	Number of clock hours of supervised clinical experience required prior to teaching as the teacher of record in a classroom
	Number of years required for teaching as the teacher of record in a classroom
All Programs	Number of adjunct faculty supervising clinical experiences during this academic year
	Number of cooperating teachers/K-12 staff supervising clinical experiences during this academic year
	Number of full-time equivalent faculty supervising clinical experience during this academic year
	Number of students in supervised clinical experience during this academic year

Teachers Prepared by Subject Area and Academic Major

The figures below depict the total of teacher prepared by subject area and academic major for the academic year. A prepared teacher is also known as a program completer. A program completer can be counted in more than one subject area and academic major. Subject areas and academic majors listed as "Teacher Education" in the federal subject and major category are included in the total of prepared teachers.

Program, Admission and Context Candidate Information Goals, Assurances, Tech and Train. Teacher Certification Examinations

This section provides information about the selected institution's goals, assurances, use of technology and teacher training. Information is provided by program route: Traditional, Alternative, IHE-based and Alternative, not IHE-based.

Goals

The table below provides information about the institution's annual goals in the three shortage areas: Mathematics, Science and Special Education. Title II reporting also includes Limited English Proficient (LEP). However, data for LEP are not included because English Learner authorizations preparation is embedded in all of the preliminary teaching programs. Starting in 2019-19, institutions had the opportunity to describe their goals, and the increase of prospective teachers are no longer reported.

Use the drop down menu below to select a question. Click the figure for the View Data table or hover over the tooltip to view the entirety of the information.

Program, Admission and Context Candidate Information Goals, Assurances, Tech and Train. Teacher Certification Examinations

This section provides information about the institution's teacher certification exam takers, passers and average pass rates for the California, Basic Educational Skills Test (CBEST), California Subject Examinations for Teachers (CSET), Reading Instruction Competence Assessment (RICA), and the Teaching Performance Assessment (TPA). Data also includes the statewide average pass rate for each exam. Information is provided by program route: Traditional, Alternative, IHE-based and Alternative, not IHE-based.

- It is important to note the following:
- 1) The number of candidates passing tests and pass rate are not reported if the number of candidates taking tests is fewer than 10 for each subtest.
 - 2) Examinees may have attempted and passed the CBEST and CSET prior to enrolling into the teacher preparation program.
 - 3) The CBEST is one of the options to satisfy the basic skills requirement.
 - 4) The CSET Mathematics and Science standards have been revised in 2013 and 2017, respectively. Exam code starting in the 200s refers to the revised test, and exam codes starting in 100s refers to the test prior to the new standards. Please note that the Multiple Subjects subtest II have also been revised due to the new Mathematics and Science standards.
 - 5) The RICA standards have been revised in 2009. As a result, RICA.1 refers to the revised test and RICA refers to the test prior to 2009.
 - 6) Teacher Performance Assessment (TPA) pass rates were reported starting in 2018-19.
